

Problem 1

[4 points]

The problem label is bold on the left; the points label is normal weight and reaches the right edge of the same heading line.

Problem 12

[15 points]

Different label lengths must still produce the same right edge.

Left edge

Middle

Right edge

Left edge Fixed gap

Right edge

Quoted left

Quoted right

The quote narrows both margins; the fill uses this narrower line width.

Full-width left

Full-width right
